From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysore

Sir,

With reference to Government Proceedings No 3766/A.489, dated 31st August 1894, I have the honor to state that, under the old "Wholesale Vend System", the Still-head duty used to be charged on the issues of Spirits from the Distillery, minus 2% wastage, and recovered from the Contractor by monthly instalments. Accordingly in the accounts which were submitted to the Dewan's Office under that System, the amount of Still-head duty used to be shown. But since the abolition of the Wholesale Vend System" and the introduction of the "Vend rent" and "Separate Shop" Systems instead, such accounts were dispensed with, as under the present systems, duty is not charged on the issues of Spirits -

from

from the Distillery — For the quantity of Spirits required by the Vend Farmers, and separate shopkeepers duty is prepaid into the Local Govern= =ment Treasuries, and Chellans are obtained in the prescribed forms. On the production of such Chellans at the Bonded Depôts, the quantity of Arrack equal to the amounts therein shown, is issued to them. But in the case of the Vend Farmers of the Bangalore District, Arrack is issued to them direct from the Distillery on the production of similar chellans in proof of prepay= =ment of duty. The collections of such duty in the various Treasuries are shown in the monthly Demand, Collec= =tion and Balance Statements sub= =mitted to the Dewan's Office, the entries therein being compared with Chellans &c. and verified both in my office and the Comptroller's Office. (Vide Part II of Arrack Rules in Govern= =ment Notification No. 495, dated 30th March 1892.).

2. The Government Contractor for carriage of Country Spirits to Bonded depôts simply transports the Spirits to such Depôts and deposits the

Same

same therein for issue to the said Farmers and Separate Shop-keepers. As the bills for remuneration payable to him monthly, used to be submitted to Government for Sanction formerly, the Statements returned with the Govern= =ment Proceedings under reply, were furnished to the Demans Office, shewing the details of issues from the Distillery, in view to check the entries in such bills; but since the Government ordered the transmission of the said bills direct to the Comptroller for audit the necessity for the above Statements ceased The submission of the Statements is however continued for the information of Government as to the quantity of Spirits issued each month from the Distillery. Under the circumstances explained above it would be incorrect to show Still= =head duty against the issues of Spirits in the said Statements. I beg to submit that as separate accounts are rendered in connection with the transaction of duty, and as duty is not paid on the Spirits simply trans= =ported

=ported from the Distillery to Bonded
Depots, the amount of duty should not
be shown in the Statements (hereunto
re-submitted), which relate purely
to the issues of Spirits from the Distil=
=lery, and not to the transactions of
duty in Treasuries.

I have the honor to be,
Sir,

Sir:

In reply to your letter No: 1126/117 dated 6 Instant I am directed to say that the information of Still Head duty is required not so much as evidencing of each transaction but merely to illustrate the money value to Government of the quantities of different liquors shown in the returns. It is a mere matter of arithmetic and statistics.

To enable this office, the above check being made in this office, the cancelled Rabadaries should be obtained and forwarded in due course to this office, with the Patties attached, as laid down under the old Rabadary Rules (Printed) issued under Notification No: 192 dated 28th July 1891. para 9 - the principle of which should also guide the check thereof in the district and Excise Commissioner's offices, respectively, and not the modified course laid down in Notification No 495 dated 30th March 1892 in this behalf.

I have &c

Chief Secretary

Enclosure to 2d

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 28th July 1891.

NOTIFICATION No. 192, DATED 28TH JULY 1891.

Under the provisions of Section 55, clause (*g*) of the Excise Act (XXII of 1881) and in supersession of those prescribed in Notifications No. 185, dated 24th January 1888 and No. 145, dated 23rd August 1889, His Highness the Maharaja's Government hereby sanction the introduction of the following Rules for the exercise of proper check over consignments of liquor sent from the Government Distillery to wholesale depôts, and the disposal of the rahadaris which accompany them and the audit of the accounts of realizations of the dues recoverable from the contractor :—

1. Every consignment of liquor will be covered by a rahadari in Form No. 1 appended, which should be with the cartman as proof of his authority to carry ; a duplicate thereof shall, at the same time, be sent on to the Amildar of the Taluk, in which is situated the wholesale depôt to which the consignment is made, in Form No. 2 appended. The counterfoil of the rahadari and duplicate (Form No. 3 appended) shall be retained in the Distillery Office. The rahadari, its duplicate and counterfoil should all have the same serial number printed on them.

2. The cart with the liquor and the rahadaris must first be taken to the Amildar, if the depôt is situated at Taluk Head-quarters, or to such other official as the Amildar may depute for this purpose, if the depôt is in any outlying town in his Taluk.

3. The contents of the rahadari should be compared with the duplicate received by the Amildar, as well as, with the details painted on the casks, and the seals on the casks examined. Discrepancies should be reported to the Special Assistant Commissioner, Excise Department and the Deputy Commissioner.

4. The date and hour should then be recorded on the back of the rahadari under the signature and designation of the official appointed by the Amildar for this purpose, and the consignment then passed on to the depôt to be there booked.

5. The rahadari should at once be sent back by the depôt wholesale vendor to the Government official appointed by the Amildar, who should see that the wholesale vendor has noted underneath the Taluk official's endorsement "Contents received and booked," with the date and hour of receipt at the depôt, and "the balance of stock of liquor on hand when this consignment arrived," and if it has been verified by the Government officer who passed the consignment.

6. All the rahadaris dated and issued in any one month should, on the 10th of the following month, (by which time all previous months' consignment have been duly received and disposed of) be brought with a "Patti" giving name of depôt, number, date and contents of pass (Gallons, Drams) to the Amildar, who will after satisfying himself that the instructions given above have been fully complied with, score the rahadari across thus × in red ink from end to end, write the word "cancelled" across the face of each pass under his seal and signature, and send the "Patti" and the cancelled rahadaris on to the Deputy Commissioner of the District. Rahadaris dated and issued in one month, the consignments under which do not arrive before the 10th of the following month, should be dealt with as above, and a supplemental patti sent with them.

7. Amildars shall keep a Register in Form No. 4 appended of duplicates which may be sent to them under Rule 1. The particulars should be entered in this Register in abstract as soon as they are received. The duplicate rahadari should be crossed × at the time the original is cancelled under Rule 6, and the corresponding entry in the Register ticked off. If any consignment which has been advised in a duplicate rahadari is not received within a reasonable time, after the period allowed in the rahadari, the Amildar shall at once report the same to the Deputy Commissioner of the District who will institute the necessary enquiries. For this purpose, the register of rahadaris should be scrutinized by the Amildar or Taluk Sheristadar every week or fortnight.

8. On receipt of the cancelled rahadaris at the District Office, the contents given on the "Patti" should be compared with the abstract account of issues of liquor from the Distillery sent by the Special Assistant Commissioner, Abkari and Excise, monthly to each Deputy Commissioner, and the patti and the file of cancelled rahadaris then sent on to the Excise Commissioner.

9. As the rahadaris are received at the Excise Commissioner's Office, they will be compared with the detailed accounts rendered for the whole Province by the Special Assistant Commissioner, and the whole file of cancelled rahadaris for each month, should be submitted by the Excise Commissioner to the Dewan's Office with an analysis of results and a brief report embodying the principal defects noted by the Deputy Commissioner and the Excise Commissioner in the course of their examination; and of the steps taken to prevent the recurrence of such defects.

10. The file after being carefully scrutinized and checked in the Dewan's Office will be returned to the Excise Commissioner who will retain the cancelled rahadaris as vouchers till six months after each contract has been closed, when they may be destroyed under the supervision of some responsible officer.

11. The duty prescribed on the Deputy Commissioner's Office by Rule 7, and on the Excise Commissioner's Office by Rule 8, shall not be delegated to the Special Assistant Commissioner on whose accounts the procedure prescribed in these rules is intended to be a check. They shall be performed by a responsible official not inferior to the rank of Sheristadar or Head Accountant of their respective offices under the supervision and frequent scrutiny of the Deputy Commissioner and Excise Commissioner respectively.

12. When consignments are received without a rahadari, the liquor should be attached and the matter at once brought to the notice of the Amildar. If he is satisfied that no fraud exists, he may release the liquor on the security of the wholesale vendor, intimating particulars to the Deputy Commissioner, who after the necessary enquiry will direct the issue of a special rahadari to cover the consignment. This special rahadari, shall be in the same form and issued in the same manner as the ordinary rahadaris, but on paper of a different color. It shall be issued by the Special Assistant Commissioner who will sign the same and keep a register and the counterfoils.

13. If the contents in gallons or the number as given in the original rahadari and its duplicate, materially differ from those noted on the cask, the liquor will be sent on to the depôt with the precautions which are required to be taken under Rule 12, to be there examined either by the Amildar himself or by any other officer appointed by him, and a report of such examination should be forwarded by the Amildar to the Special Assistant Commissioner. If the "place" given on the cask differs from that entered in the rahadari, the cask must not be sent to the depôt but kept with the Amildar and the matter reported to the Central Distillery. The wholesale vendor should at once apply for fresh stock by telegraph, if possible.

14. The Deputy Commissioners will give such of the Police Officers and Revenue officials drawing Rs. 10 and above, as are invested with the powers of Excise Officers under Dewan's Notification No. 68, dated 8th July 1884, to understand that it is their duty to see that liquors or drugs when taken are covered by a Government rahadari, and that if they are not so covered, they should hand over the parties in possession of such liquors or drugs to the nearest Police Station for disposal according to law.

By Order,

T. Ananda Row,
Chief Secretary.

Draft Reply as follows:

Copy for information:—

1. Practically the Sy: Govt. reply furnishes entirely with the following kinds which will be dispensed with hereafter:—

(a) Duty paid liquor stored in the Vend Taluks in the Bangalore District in a few other special cases—

(b) Duty unpaid liquor sent to the "Bonded Depots" for use by:—

I. The Separate Shops in:—

(1) Bangalore City
(2) " — Station
(3) Bangalore Town
(4) Kolar Gold Fields.—

II. Other Vend Taluks in the Bangalore District & a few other exceptional cases.—

(c). The Rahadaries & Passes protecting consignments of liquor from the Distillery to these destinations.

2.— The Depôt Registers now furnished by the Sy: Govt. contain only the total duty payable for each "Taluk Bonded Depot" or other place, the nos: of the Rahadaries & Passes granted, & strengths of liquors stated for each Depôt, with amount of duty payable or paid thereon, as the case may be, which are very well provided, the rates of Duty & the exact strengths are also furnished to work out the calculations and not the items worked out in daily details, but not for each Depôt & Total for each Taluk & a Grand Total for the whole country.

3. As in the case of the Bangalore City & Station & the Bangalore Town, Sperms of liquor shipped

should be separately made up and accounted for by the Superintendents at the Three Groups of Bonded Depots. The accounts of the two classes of Imports should be kept independent of each other & just carried up as is now evidently done for the "Separate Stores" & other Bonded Imports at the Depots of Brewing Pots & Bottling Plants which supply liquor to both classes of Imports. The same Depots & employés may however be utilized for both classes of Imports at those Places

4. The "Monthly Abstract" appended to the Deputy Supt. does not particularize, as it should do, the information given for each day. The accompanying proposal from July to October 94 & 1895 should be adopted in lieu thereof & one hundred for those months.

5. The "Papers" covering liquors issued to Depots "Under Bond" in the Bonded Warehouses with "Duty paid" liquors to the Bangalore Dist., in particular & a few other special cases as indicated in the Deputy Superintendent's Memo dated 28th July 1894 should all be collected by the Superintendent at those Offices & when this duty may be delegated to the Inspectors, and will be dispensed as laid down in Govt Procs: No. 5,123-32 (Rs 98) of 28th July 1894 in Rules 7, 8, 9 & 10 & put to the Dy: Insp: for his compliance & the assistance for check & scrutiny with the Depot & other accounts & returns received in the Dist. Offices, and subsequent to the Dist. Office, for counter check & eventual transmission to the Commissioner for final disposal. The course laid down in Govt No. 1495 of 30th March 1892 Rules 24 & 25 clause 8 in each case must now be modified so as to give effect to the instructions now in force, in so far as this pertains to the check & disposal of these Returns & Papers.

6. The check of the Challans & such accts is quite a different question & should not have been mixed with that under advertence.

7. Separate orders will be issued as regards the Depot Stock & other points which have no connection with the present subject.

Excise Commissioners Office,

Bangalore, dated 18th October 1894.

From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysore

Sir,

With reference to your letter No 5356 / R. 789, dated 15th 22 Ultimo; I have the honor to State with due deference to the instructions therein contained, the following facts:—

(1) The "Wholesale arrack Depôts" referred to in column 2 of the form received with the above letter, do not exist at present, as they were abolished on 1st April 1892 when the "Vend Rent System" and "Separate Shop System" were introduced.

(2) No arrack is issued from the

the distillery direct to A Separate Shops" alluded to in columns 9, 10, 11, 12, 13 and 14 of the said Form.

(3) The Rahadary Rules published under Government Notification No. 192, dated 28th July 1891, applied to the old "Wholesale Vend System", and they have been superseded by the following detailed provisions in the Rules framed and issued under Government Notification No. 495, dated 30th March 1892, to suit the present "Vend Rent System" and "Separate Shop System":-

(a) Paras 1 to 16 in Rule XXIV regulating the procedure for issuing liquor from the distillery to Bonded depôts and for the exercise of proper check over such consignments and over the Passes which accompany them;

(b) Paras 1 to 12 in Rule XXV regulating the procedure for exercising

exercising "check" over consignments from the Distillery to the depôts under "Vend Farmers", and over issues of liquor from Bonded depôts to the Shops under "Vend Farmers and to the Keepers of "Separate Shops".

(4) The Farmers in the Bangalore District carry their supplies of liquor direct from the Warehouse in charge of the Excise officers at the Central Distillery, after prepayment of duty into Government Treasuries, and deposit the same in their own depôts called "Farm depôts" for issue to the Shops under them". The procedure for these Farmers and issues of liquor to their "Farm depôts", &c is laid down in para 5 (5) of Rule XXI and in Rule XXV.

(5) For the convenience of the Farmers in the remaining Districts, and also of the "Separate Shopkeepers" at the towns of Bangalore and Mysore

Mysore and in the Kolar Gold Fields Warehouses called "Bonded depôts" have been established in suitable localities. The Government Carrying Contractor, under the terms of his Bond, carries the necessary supplies of liquor from the distillery to the said "Bonded Depots" for issue to the Farmers and Separate Shop Keepers. The procedure for these Farmers and issues of liquor to "Bonded depots" &c is laid down in para 5 (6) of Rule XX and in Rule XXIV, and for the Separate Shop Keepers in para 5(6) of Rule XXI and para 1 of Rule XXV.

(6) Rule XXVI provides for the accounts and Statistics to be furnished from the Distillery and Bonded Depôts to the Excise Commissioner and Deputy Commissioners of Districts.

(7) The monthly Statements of

issues

issues of liquor to Bonded Depôts and Farm Depôts are received in this office from the Distillery in the accompanying form of "Depôtwar Register" The Passes and Rahadarys are compared with the entries in this Register. They are numbered consecutively; and they contain the Nos. of casks and quantity of liquor covered by them, as well as the total quantity issued. The Nos. of such Passes and Rahadarys are entered in the said "Depôtwar Register." After checking the total in the Passes and Rahadarys, the total quantity shown in each Pass and Rahadary is easily compared with the quantity entered in the said Register against each Pass and Rahadary. Thus it may be seen that it is needless to enter in the said Register the

particulars

particulars of each cask shown in Passes and Rahadarys, and which would entail unnecessary labor. ~~[illegible]~~. At present a uniform rate of duty, viz Rs 4, has been introduced throughout the Province, and therefore the rate of duty need not be shown in the Register; but as ordered by Government an additional column has been opened to illustrate the money value of the Spirits issued to Bonded Depôts. After the present stock of these printed Registers is exhausted, the next supply will be printed with additional columns. As laid down in the Rules the Passes are disposed of after they have been checked in this office; but from heads of the letter under reply, it seems to be the intention of Government to check them again in the Dewan's office. Accordingly, I have ordered the distillery Head

Supervisor

Supervisor to Submit a duplicate of the Depôtwar Register for the Dewan's office to which the files of the Passes and Rohadary will also be sent after they have been duly checked and compared in this office

(8) In addition to the accounts and Statistics which the Distillery officials have to furnish under the above Government Rule. XXVI, they keep the Registers Accounts &c from "B" to "S" prescribed in my Circular No 3099-142/35, dated 10th December 1892, a copy whereof is herewith Submitted for reference. These forms in my humble opinion provide for all our requirements, and the officials concerned are well grounded in them; and the new Systems are in fair working order. I beg to Submit

Submit that the introduction of the forms which existed under the old System, would not only tend to cause confusion, but also to entail unnecessary cost of paper and printing and additional labor to the already overworked officials.

2. I may here add that in view to exercise proper check and Scrutiny over cash transactions in Treasuries, and to ensure correct payment of duty, rental &c by Farmers and Separate Shopkeepers, Registers and Ledgers have been opened both, in this office and Comptroller's office in consultation with the Comptroller.

I have the honor to be,

Sir,

Your most obedient Servant

Official Memorandum.

On the Examination of the can-celled Passes and Rahadarys from July to December 1894, the following omissions and mistakes are detected:—

(1) In several Taluks the date and hour of receipt of the consignments of arrack not noted on the back of the Passes.

(2) The Mutchaddys of Bonded Depôts not only made the above omission, but also neglected to write the words "Contents received" on the back of Passes. The Passes were not returned by the Mutchaddys to the Taluk Cutcherry on the same day on which they received them. The Taluk Officials also omitted to note on the Passes the date of return from the Depôts.

(3) The Mutchaddys of Depôts also omitted to note on the Passes the balance of Stock on receipt of fresh consignments.

(4)

(4) The Passes and Rahadarys were not scored in red ink nor signed and sealed.

(5) The Passes were despatched without Ferists

(6) The Passes of one month were included in the Ferist of the succeeding month, instead of a supplemental list being submitted as per para 8 of Rule XXIV.

(7) The "Rahadarys" issued to Foreign liquor shop keepers were included in the "Passes" relating to the Bonded Depots of arrack, instead of sending them to the Deputy Commissioner with a separate list as per para 6 of Rule XXV.

(8) Duplicate Passes were sent in some cases instead of originals, and in some cases both duplicates and originals were despatched by Amildars to this office.

(9) Ganja Passes mixed up with arrack Passes.

2. The Deputy Commissioners are

are requested to issue Stringent orders to the Taluk Officials to carefully study the Rules XXIV and XXV in Government Notification No: 495, dated 30th March 1892, and to see that the provisions therein contained are duly and correctly carried out, and that no omissions or errors of any kind occur in future.

3. Spare copies of the aforesaid Government Notification in Kanarese, are herewith sent for the use of the Taluk officials.
